

Patient and Community Partnership Assessment

Partnership Assessment Questions	Next Steps
<p>Does the team membership include people with lived experience of the health inequities being addressed who do not work at the partner organization(s)?</p>	<p>YES:</p> <ul style="list-style-type: none"> * Where does the partnership fall in terms of the Movement Strategy Center’s <i>Spectrum of Community Engagement to Ownership</i>? * From the team’s perspective, what is working well with the partnership? * What is working well from the perspective of the those with lived experience not employed by the partner organizations? * What are team members’ recommendations for improving the partnership? * What are the recommendations from team members with lived experience? * What is the team’s plan for enhancing and strengthening the partnership(s) over time by moving to the next level of the Movement Strategy Center’s <i>Spectrum of Community Engagement to Ownership</i>? <p>NO:</p> <ul style="list-style-type: none"> *What is the team’s short-, mid-, and long-term plan to begin partnering with people with lived experience of the inequities being addressed? * Is the plan based on the recommendations of the Movement Strategy Center’s <i>Spectrum of Community Engagement to Ownership</i> or a similar model? If not, why not?
<p>Does the team partner with community-based organizations?</p>	<p>YES:</p> <ul style="list-style-type: none"> * Where do the partnerships fall in terms of the Movement Strategy Center’s <i>Spectrum of Community Engagement to Ownership</i>? * From the team’s perspective, what is working well with the partnership? * What is working well from the perspective of the community-based organization(s)? * What are team members’ recommendations for improving the partnership? * What are the community-based organization’s recommendations? * What is the team’s plan for enhancing and strengthening the partnership(s) over time by moving to the next level of the Movement Strategy Center’s <i>Spectrum of Community Engagement to Ownership</i>? <p>NO:</p> <ul style="list-style-type: none"> * What is the team’s short-, mid-, and long-term plan to begin partnering with community-based organizations? * Is the plan based on the recommendations of the Movement Strategy Center’s <i>Spectrum of Community Engagement to Ownership</i>? If not, why not?

Short- and Long-Term Partnership Goals

What are your short-term (0-1 year) goals and objectives for collaborating with patients and/or community-based organizations?

What are your mid-term (1-2 years) goals and objectives for the(se) partnership(s)?

What are your long-term (3-5 years) goals and objectives for the(se) partnership(s)?

Where does your initiative fall within the [developmental stages of community engagement to ownership](#)?

What challenges or roadblocks to developing strong partnerships have you identified?

Current Partnership Activities

Are there any current partnership activities directly related to this initiative/learning collaborative team?

- * How would you describe their level of success?
- * What is working? Where are the opportunities to improve?
- * Describe opportunities that members/patient/community partners have had to provide feedback.
- * Have the partnerships resulted in any changes to the initiative? Please describe the changes and the evolution of the partnership.
- * How was agreement reached regarding the need for the changes? How they will be implemented?
- * How do you think your partners would describe the partnership and its level of success? What kind of formal or informal feedback have they provided?
